TCGA's programs, Computer Refurbishing and K-12 Outreach Programs, have provided computers and training to over 500 teachers and low-income families with children in Georgia's K-12 schools since 1996.

CANCELLATION POLICY

Cancellations reaching ICLE by 5:00 p.m. the day before the seminar date will receive a registration fee refund less a \$15.00 administrative fee. Otherwise, the registrant will be considered a "no show" and will not receive a registration fee refund. Program materials will be shipped after the program to every "no show." Designated substitutes may take the place of registrants unable to attend.

SEMINAR REGISTRATION POLICY

Early registrations must be received 48 hours before the seminar. ICLE will accept on-site registrations as space allows. However, potential attendees should call ICLE the day before the seminar to verify that space is available. All attendees must check in upon arrival and are requested to wear nametags at all times during the seminar. ICLE makes every effort to have enough program materials at the seminar for all attendees. When demand is high, program materials must be shipped to some attendees.
